

Cobb CERT Social and Team Building Working Group

Mission Statement

To plan and implement one social and team building event with the intent of enhancing rapport among the membership.

Goals and Objectives

1. Plan and implement one social event for the entire CERT membership.
2. Recruit and increase membership of the working group.
3. Poll the working group chairpersons for ideas of how their working groups would be best served by a social committee and explore ideas for activities.
4. Develop an activity plan.

The annual committee meeting in March is a time to brainstorm and begin task assignments for the year. During subsequent meetings, members will discuss upcoming projects and new ideas for activities and will meet as necessary while working on specific projects.

Chairman of Working Group—Jeanine Whitmire

Jeanine has been employed by Cobb County Government since 1986. In 1999, she became an administrative assistant for the Cobb County Water System's Communications and Public Education Unit. She provides support for water system functions such as groundbreaking/ribbon cutting/awards ceremonies, photography needs, the Water Efficiency Program, Partners in Education and the agency newsletter. She served in the United States Air Force for seven years as a Ground Radio Repairman and was employed by Cobb County Police Department for 11 years.

For more information on becoming part of this dynamic group, please contact Jeanine Whitmire at jeanine.whitmire@cobbcounty.org
